## AUSTRIAN STATEMENT.

VIENNA, May 3, via London, May 4: Austro-Hungarian forces yesterday attacked the fortified positions in west Galicia and repulsed the Russians along the entire front of Malastow,

Gorlice, Gromik and north of these places. The Russians suffered severe losses. We captured 8,000 Russians and took a great number of cannon and machine guns. Simultaneously we forced our way across the Danube river. On the Carpathian front the Beskid situation has changed. In the wooded Carpathians we gained ground to

the east of Koslowka. We repulsed several counter attacks with great slaughter, capturing several hundred Russians and taking three machine guns. To the north of Osmaloda the enemy was thrown from several heights, with heavy losses. The fighting in this region is progressing. On the Russian frontier, between the

Pruth and the Dniester, there is nothing new to report. RUSSIAN STATEMENT. PETROGRAD, May 3, via London, May 4: West of the Niemen May 2, the engagement continued along the upper reaches of the River Szesupa. The evening of May 1 a battalion of the enemy attacked the village of Sosnia,

near Osowets, but was dispersed by the fire from the fortress. On the Baura river important skirmishes occurred near the village of Mitrovitsa. Since the evening of May 1, from the lower Nida to the Carpathians in the region of Gladysheff, an action of the greatest intensity developed. On the left bank of the Vistula the night

of the 2d we repulsed strong enemy attacks. In the region of Tarnow and farther southward the artillery fire attained great violence, and fierce isolated combats took place. In the direction of Stry and southeast of Golotetzko we captured Mount Makivka and took 500 prisoners, including ten officers. On the Dniester, May 1, near Zale

Sackzy, the enemy made two fruitless attacks. On the 1st our Black sea fleet bombarded the forts of the Bosphorus. The fire was very effective and caused great explosions and set fire to Fort Ginas. The Turkish batteries replied vigorously, but without result. We also destroyed a steamer with a cargo of coal and sank two large sailing boats.
